

ENVIRONMENTAL SCIENCE & CONSERVATION

# ENVIRONMENTAL SCIENCE & CONSERVATION

Marine Conservation, Wildlife Conservation, Environmental Conservation

## Marine Conservation

### MARINE INTERNSHIP IN MOZAMBIQUE

[www.kayavolunteer.com/project/marine-research-and-whale-shark-conservation-including-padi-diving-course/](http://www.kayavolunteer.com/project/marine-research-and-whale-shark-conservation-including-padi-diving-course/)

Gather field data to make recommendations for improving the conservation of marine life, as well as creating general awareness about the marine environment.

### ISLAND CORAL REEF CONSERVATION AND DIVING IN BORNEO

[www.kayavolunteer.com/project/island-coral-reef-conservation-diving-project/](http://www.kayavolunteer.com/project/island-coral-reef-conservation-diving-project/)

Assist with the renovation of coral reefs that have been badly damaged through 45 years of fish bombing, a destructive fishing technique.

### DOLPHIN AND MARINE CONSERVATION IN ZANZIBAR

[www.kayavolunteer.com/project/dolphin-marine-conservation-zanzibar/](http://www.kayavolunteer.com/project/dolphin-marine-conservation-zanzibar/)

Work on this turtle, sharks and marine research, conservation, and education project off the coast of Tanzania in Zanzibar's Menai Bay to protect habitats and species.

### TURTLE AND MARINE ENVIRONMENTAL CONSERVATION AND EDUCATION IN ECUADOR

[www.kayavolunteer.com/project/turtle-marine-environmental-conservation-education-ecuador/](http://www.kayavolunteer.com/project/turtle-marine-environmental-conservation-education-ecuador/)

Ensure that the sealife is not put at risk with increased tourism by monitoring dolphin interactions and collecting data on Ecuador's Pacific Coast.

## Wildlife Conservation

### AMAZON RAINFOREST WILDLIFE RESCUE IN ECUADOR

[www.kayavolunteer.com/project/amazon-rainforest-wildlife-rescue-ecuador/](http://www.kayavolunteer.com/project/amazon-rainforest-wildlife-rescue-ecuador/)

Contribute to a local rehabilitation centre in the middle of the Amazonian Rainforest that cares for wild animals from the jungle that were victims of abuse and animal trafficking.

### WILDLIFE RESEARCH AND CONSERVATION IN ZIMBABWE

[www.kayavolunteer.com/project/wildlife-research-and-conservation-volunteering-in-zimbabwe](http://www.kayavolunteer.com/project/wildlife-research-and-conservation-volunteering-in-zimbabwe)

Help the local team of researchers collect data on elephants and their movements to mitigate the human-wildlife conflict.

## **MASAI MARA LION, WILDLIFE RESEARCH, AND CONSERVATION PROJECT IN KENYA**

[www.kayavolunteer.com/project/masai-mara-lion-wildlife-research-conservation-project](http://www.kayavolunteer.com/project/masai-mara-lion-wildlife-research-conservation-project)

Work directly with the Masai Mara community to develop solutions to reduce conflict between local human and wildlife inhabitants.

## **ELEPHANT & COMMUNITY WATER ACCESS PROJECT IN NAMIBIA**

[www.kayavolunteer.com/project/volunteer-elephant-community-water-access-project-namibia/](http://www.kayavolunteer.com/project/volunteer-elephant-community-water-access-project-namibia/)

Use your passion for elephants and observe them in their natural habitat by working on a project that is providing solutions to the elephant-human conflict.

## **Environmental Conservation**

---

### **ENVIRONMENTAL CONSERVATION INTERNSHIP IN PERU**

[www.kayavolunteer.com/project/environmental-conservation-internship-in-peru/](http://www.kayavolunteer.com/project/environmental-conservation-internship-in-peru/)

Consolidate your studies while developing field study and leadership skills on this environmental conservation internship in Peru focusing on biodiversity, ecosystem services, and related socio-economics.

### **CONSERVATION AND ECOLOGY INTERNSHIP IN THE ESWATINI SAVANNAH**

[www.kayavolunteer.com/project/conservation-ecology-internship-swaziland-savannah/](http://www.kayavolunteer.com/project/conservation-ecology-internship-swaziland-savannah/)

The research station focuses on monitoring, researching, and analysing data on a range of species such as raptors, bats, reptiles, and ungulates, as well as recording variables about the habitats and vegetation.

### **ENVIRONMENTAL CONSERVATION ON BIOLOGICAL STATIONS IN THE AMAZON AND ON THE COAST OF ECUADOR**

[www.kayavolunteer.com/project/environmental-conservation-biological-stations-amazon-coast/](http://www.kayavolunteer.com/project/environmental-conservation-biological-stations-amazon-coast/)

Participate on this environmental conservation project and gain an incredible insight into the biodiversity of Ecuador, including the Amazon Rainforest and Ecuador's Pacific Coast.
