## Brazil

Carnival, capoeira and caipirinha are just a small sample of traditions found in Brazil's rich and diverse culture

The Pantanal highlands region is the world's largest wetland and comes from the Brazilian Pântano, which means marsh or bog. Only a few countries have ecosystems as rich and diverse as Brazil. The country is home to one-third of the world's tropical rainforests, twenty percent of world's freshwater supply and the Cerrado region - a tropical savannah with the highest rate of biodiversity in the world. Brazil's economy relies heavily on its natural resources, and Brazilian forests are a huge reservoirs of carbon, important to maintaining the global climate balance.

Brazil's biodiversity include habitats to animals such as the jaguar and rare breeds such as the marsh deer and giant river otter. It is thought that the Pantanal region is home to 1000 bird species, 400 fish species, 300 mammalian species, 480 reptilian species and over 9000 different subspecies of invertebrate. Our project in the Pantanal / Cerrado highlands focuses on one species in particular which is vital to ensuring this ecological integrity of the area. This is the white lipped peccary.

On the project you will be touching down in the heart of nature and working in an environment that most of the world population will never see. Forget light pollution, this is a place where supplies are dropped weekly by specially chartered boats from the nearest town.

### Life outside of the project

Once you are in the Pantanal / Cerrado highlands most of your time will be spent on site. Weekends can be spent working additional hours on the project, visiting a nearby waterfall or relaxing on site. You may also enjoy visiting local villages or popping into the local town.

If you have a love for outdoor life and want to get away from it all, then this project is definitely for you.

# Wildlife Conservation Volunteering in Brazil

BRAZIL

## The project

The project focuses on wildlife conservation volunteering in Brazil. You will get involved with wildlife and community outreach activities in the Bodoquena highlands region that boasts agricultural lands, Cerrado and small northern extensions of the Atlantic Forest bordering the Southern edge of the Pantanal floodplain. The project is located at the foot of the famous Pantanal region of Brazil, one of the most diverse and largest tropical wetland and featuring a complex variety of habitats making it the perfect setting for anyone interested in wildlife conservation volunteering in Brazil. Its ultimate goal is to define ecological corridors and influence local authorities by preventing the deforestation of important habitats for the survival of the pantanal.

The project monitors the wildlife within the landscape with and without peccaries, its interaction with other species and the environment, as well as its demographic and genetic population status. It investigates the factors influencing wildlife and peccary population movements. The area is currently under threats with the expansions of soybean plantations, mining and illegal hunting. The white-lipped peccaries' herd dynamics and survival are monitored by scientists to better understand conservation threats and identify key ecological issues. Always moving including traveling for up to 10 kilometers a day and looking for food, peccaries are useful for assessing the health of the pantanal. Indeed, peccaries eat so much food that the slightest change in their habitat will cause them to change their habits and patterns moving to more pristine habitat. Peccaries are important for the region as they are hunted by the jaguar. That said, the extinction of white-lipped peccary would lead to the extinction of the jaguar. The project gather all kind of information around the white lipped peccary gatherings and what it takes to keep them thriving and healthy so they can preserve the local ecosystem.

## Role of the volunteer

Wildlife conservation volunteering in Brazil is the perfect project to get experience in eco-ecosystems and natural habitats while working with local scientists based in the region and influencing local communities' decisions. Participate in many activities from wildlife monitoring to setting camera trap, exploring new regions for presence or absence of large mammals, monitoring exclusion plots and fruit census amongst many other activities including data entry. You may also be able to assist with community environmental education activities including tree planting, seeds collection and environmental English classes with the local school.

## Skills required

No specific skills are required, however, a love for the outdoors is a must, as well as a reasonable amount of fitness for possible hiking. This project is also a great place for anyone interested in wildlife conservation volunteering in Brazil.

## Why choose this project

- ✓ Get a feel for the importance of biodiversity and ecological interactions to help protect priority areas for conservation.
- ✓ Learn about conservation planning and wildlife species protection in Brazil.
- ✓ Experience Brazil and its amazing natural habitats while meeting locals.

## Project location

The project is located in the highlands region of Serra da Bodoquena National Park on the west side of Brazil. The region is unique with many limestone spring formations and many cool tourist spots to visit. Bodoquena, where you will be staying, is a town of about 8,000 people. It is less than an hour from two main tourist towns (Miranda the gates to the Pantanal) and Bonito (one of the top tourist places in Brazil for its crystal clear waters, natural aquariums waterfalls, and wildlife)

You will be staying in a comfortable volunteer house during your stay located 4 hours away from Campo Grande. Numerous swimming holes with waterfalls and natural aquariums are only a bike ride away from where we will be staying. Transport via buses are available to travel anywhere, and easily accessible to visit nearby towns at the end of your project.

# Program Agreement, Terms and Conditions

Thank you for choosing to apply for placement on a Kaya programme. We are committed to providing you the best support as you prepare for the experience of a lifetime, which is why we have laid down the following terms and conditions. By checking the agreement of these terms and conditions you have accepted to abide by the rules laid down in this agreement, and we suggest that you read the details carefully and speak to us if you require any further clarification. Please note there may be additional conditions that apply to individual placements.

## Program Agreement Terms and Conditions

**NOTE:** The current terms outlined include temporary accommodations made to address the current Covid-19 global pandemic. We have called these Kaya Amended Coronavirus Terms – Kaya ACT. These temporary terms are outlined alongside Kaya regular terms and conditions and may be amended at any time. These are all shown in red for easy identification.

## Deadlines, Dates and Prices

Applications are accepted throughout the year and are subject to limited space availability. Programs are priced individually and displayed on the Kaya website alongside each project. Deadlines are based on the dates of the desired placement. Some programs and project placements fill up prior to their published application deadlines. Apply early to secure your space. Important deadlines for the Kaya Programs are:

### Early Application

Application can be made up to 1 year in advance, however, arrangement and communication of the program specifics will commence 2-3 months prior to program start.

### Application Deadline

Programs have varying deadlines. Most are around 3 months prior to the program start. Last-minute bookings will be considered on an individual basis. Last-minute bookings are advised that their placement arrangements may require more flexibility to accommodate.

### Total Fee Due

60 days prior to program start – unless specified for a particular project

### Late Payment

Payment deadlines are displayed on the invoices provided. It is important to meet these deadlines to secure your placement, and missing these deadlines may result in the cancellation of your placement. Where a payment extension is requested, this will be considered on a case-by-case basis and will incur a late payment fee of £35/\$60 basis.

Program Start and Finish Dates, Current Prices, and “What’s Included” are displayed on the Kaya website alongside each project. Details shown on printed materials are subject to change. Projects prices are reviewed annually and bookings for the following year may differ from those listed. Payments may be made in GBP or US\$.

## Application Instructions

Apply online: <https://www.kayavolunteer.com/book-now>

At the time of initial application, an application fee of GBP£75/ US\$95 is requested. This fee will be deducted from your total program fees. This is a non-refundable fee that enables us to process your application and ensures we work to match you with the best possible placement for your skills, interest, and needs. In the event that the application is rejected by Kaya, this payment will be returned in full. You will be provided the option to “speak to an advisor before submitting your fee”, but please note that your application may not be completed until payment of this fee is received.

Upon receipt of the application form and fee, we will contact you to arrange an online interview, work with our in-country teams to review your information, and offer you a placement in line with your request. Kaya will contact all applicants within 2 weeks of receipt of the application.

**Confirming your placement:** Once a placement is offered, you will have the option to confirm your placement and dates, and reserve your space with a confirmation fee of GBP£150/ US\$250. This fee will be deducted from your total program fees.

**Kaya ACT:** During the Covid pandemic, this payment will not be requested until travel to that country is possible (the host country borders open to you, and your home country is allowing travel to the host country). These will be deferred until confirmation of travel dates can be provided, at which time applicants may decide whether to proceed with, or cancel their application.

Until your confirmation fee is received we cannot guarantee your space on the program. See Trip Cancellation & Refund Policy below for further details.

**Additional deposit fees:** A small number of our programs have an additional deposit applied by our in-country project partners. You will be notified of this on initial inquiry if this exists for your program. Any payments made will be applied toward the total program fee. These additional deposits are non-refundable in all cases but can be applied to future participation for that specific placement if your placement dates need to be moved.

## Trip Cancellation & Refund Policy

Kaya reserves the right to cancel any program if there are insufficient registrants (where minimum numbers apply) or if Kaya determines it is in the best interest of the applicant's safety and quality of programming to cancel the program. Kaya is not responsible for other costs incurred by applicants preparing for the trip. Should a program be canceled by Kaya, for any reason, applicants will be offered the option of positions in other Kaya Programs or a full refund on all fees paid, minus application fees and bank charges.

**For participants wishing to cancel or shorten their program, the following terms apply:**

- Application fees are non-refundable in all instances for successful applicants. Unsuccessful applicants will be fully refunded.
- Additional deposits, where applicable, are also non-refundable in all instances.
- Confirmation fees: If you decide to cancel, for any reason, any time up to 61 days before travel, we will provide a 50% refund, less application fee, and bank fees.

If the travel status of your program changes prior to your travel dates, and those are likely to interrupt your travel at your booked program time, we will provide a full refund, less application fee, and bank fees. Cancellations made within 60 days before departure will make confirmation fees non-refundable.

- Program fee balance – Payment of all remaining program fees are due 60 days prior to your program start date. Payment of program balance fees prior to this deadline are fully refundable up to 61 days before departure (minus any bank fees incurred). Payments not received by this deadline may result in the cancellation of your program or a late payment surcharge of £35/\$60.

If the travel status of your program changes prior to your travel dates, and those are likely to interrupt your travel at the booked program time, we will provide a full refund, less application fee, and bank fees.

- Under our standard terms, if you decide to cancel or shorten your program within 60 days of your program start, no refunds will be provided.

Individuals who cancel or shorten their program, for any reason (including health, bereavement, and visa issues) less than 60 days prior to the program start or during the program will not receive any refund, and we encourage you to approach your travel insurance to seek compensation in this instance. We are happy to provide proof of payment and cancellation if required. Travel insurance with trip cancellation coverage is strongly encouraged for this reason.

- **Kaya ACT:** Due to the impacts of Covid-19, for programs planned for 2021 we will be providing a more flexible cancellation policy. For programs with start dates in 2021, if you decide to cancel between 60-31 days prior to travel, a 50% refund less application fee and bank fees will be provided. Some programs are exempt from this flexible arrangement and you will be notified of this upon booking. After 30 days, no refunds will be provided.
- **Date Flexibility** – Participants will be permitted to change program dates any time until 2 weeks prior to departure, for any reason, for no additional fees. Last-minute changes will be considered on a case-by-case basis. New dates will be subject to availability. Programs being delayed to a future year may incur program fee increases. Dates must be changed prior to payment deadlines for “payment due” dates to be amended.

# Program Agreement, Terms and Conditions

- If the Participant cancels for any reason, the Participant must notify Kaya in writing. The cancellation will be effective upon receipt of the written notification by Kaya to [info@kayavolunteer.com](mailto:info@kayavolunteer.com). Careful planning goes into developing volunteer and intern programs for every individual applicant. As a result, Kaya and our host communities and partners incur substantial administrative and planning costs, including accommodation reservation fees, prior to the start of each program.
- Kaya strives to ensure sustainable projects and quality programs for Participants. The Refund Policy is defined in an effort to protect and accomplish these goals. Kaya deals with each situation fairly, in consideration of well-established policies, and with the best interests of community members and Participants in mind.

## Date and Project Changes

Upon application, you will receive an interview in which your placement and program dates will be discussed. When you confirm your placement and pay your confirmation fees, we will agree program dates against which your placement will be held. We encourage you to stick to these as the projects plan around your participation. Under standard terms, one (1) date or program change made prior to 60 days before departure will be accommodated for, at no charge, subject to availability. Placements moved to the following year may be subject to price increases. After 1 change has been accommodated for, any future changes made will be subject to an administration charge of GBP£40 / USD\$70 – payable at the time of change. For project changes where the original project incurred an additional deposit, the additional deposit amount will NOT be transferable to your new project.

Date changes requested within 60 days prior to departure will be considered on an individual basis, the original payment deadlines will apply and changes will be subject to an administration charge of GBP£40 / USD\$70 – payable at the time of change. Placement changes within 60 days prior to departure are typically not accommodated for, due to project commitments made at that time.

**Under Kaya ACT, the 60-day deadline outlined for changing program dates without a fee has been reduced to 14 days, with further flexibility considered as a result of travel bans and advisories in place at the time of your placement.**

## Age

Participants must be aged 18 years over at the time of pick up, unless expressly agreed in advance by Kaya. Kaya reserves the right to cancel any application or terminate any placement, without refund, if false proof of age is found to have been supplied.

For participants under 18yrs, who have been accepted onto a Kaya program, parental consent is required and participants agree to our Code of Conduct, which includes strict policies about alcohol consumption. Where accepted, participants under 18yrs will not be offered any different or additional service or treatment to other participants. All participants under 18yrs must participate in an interview and require a reference from a professional person who has known them for over 2 years.

## Program Flexibility

Kaya programs are different from travel or adventure programs. Each development project and work experience placement is unique and often cannot be implemented exactly as planned for a variety of reasons. Itineraries shown are a guide and the order of activities may be shifted in line with factors, including, but not limited to the weather, changing project needs, local regulations and individual situations. Project activities shown cover most areas that you may be asked to get involved, but additional activities may arise that require your assistance and not all activities shown may be carried out in the period of your stay. Applicants are advised that these variables may require changes before or during a program. Part of the challenge and growth opportunity is in adapting to changing conditions and overcoming the obstacles they may present.

For all excursion activities, Kaya acts as an agent, not a principle of the activity. Any information provided by Kaya, including but not limited to information about visas, vaccinations, healthcare, climate, group sizes and packing requirements is given in good faith for information and educational purposes only but without responsibility on the part of Kaya or it's partners.

# Program Agreement, Terms and Conditions

## Behavioural Expectations

By joining a Kaya Program, the participant assumes certain obligations to Kaya, its community, and other program participants. If on-site program directors determine a participant fails to meet the behavioural expectations set out in this contract and within Kaya's Code of Conduct document, that participant will be asked to leave the program. Participants asked to leave under these circumstances will not receive a refund. In addition to other program responsibilities, as a program participant you are responsible for:

## Disclosure

All participants must disclose at the time of application any pre-existing or existing medical conditions (including depression and eating disorders) and disabilities. Some placements may require doctor's notes as a requirement for participation – some of which may be dictated by legal requirements or liability purposes. Any medical conditions arising after Application and prior to Placement must be disclosed to Kaya prior to placement commencement. Kaya reserve the right to refuse applications based on these disclosures, if deemed necessary for the safety of the participant and the project. Kaya operates a policy of non-discrimination and any information provided that may impact an application will be discussed with the applicant prior to any decisions being implemented to establish the basis for any concerns. Kaya reserve the right to cancel any application, or terminate a placement without refund if false information or lack of disclosure is found to have been supplied. Kaya is not held responsible for the administration or monitoring of any medication. While Kaya makes every effort to establish safety conditions and risk assessment, Participants are warned that the general standards of health, safety and hygiene in many countries visited may not be of comparable standard to Western countries and hence a risk of injury and illness is inherent to this venture.

Some placements may require a police criminal background check, conducted by the government. This check shall be carried out at the applicant's expense with guidance from Kaya. Some placements require proof that volunteers are clear of certain medical conditions, through the provision of a health certificate. This check shall be carried out at the applicant's expense.

## Complaints

If a Participant wishes to lodge a complaint in relation to their program, they shall first bring the complaint to the attention of the in-country coordinator, who will make reasonable efforts to deal with and, where possible, resolve the complaint within a reasonable time. If a Participant feels that a complaint is not being dealt with adequately by their in-country coordinator they should then contact the Kaya placement advice team to escalate the issue. If the coordinator is unable to resolve any serious complaint, and the participant chooses to terminate their placement early and depart the project, they shall provide the coordinator with a written version of events leading to their early termination, prior to departure. Refunds cannot be provided for early departure unless extreme circumstances are found, which will be determined at the sole discretion of Kaya. Issues reported after the end of a program that were not reported during the program, giving the site team an opportunity to address the issue in country, will not be considered for any compensation. Participants agree that Kaya shall not be liable for damages or compensation relating to any claim regarding inconvenience, disappointment, discomfort or loss of enjoyment.
