

# Internship and Service Placements Abroad in International Business, Entrepreneurship and Social Enterprise

Looking for international placement opportunities in 2021? Kaya has supported, ethical programs where you can gain experience while making a difference!

## PLACEMENTS INCLUDE

### Study Abroad & Intern or Volunteer in Thailand

Travel to Thailand to combine an NGO Development internship with Culture & Business classes at a well-regarded Thai university - earning up to 6 study abroad credits in the process! Stay in Bangkok and then Chiang Mai for an incredible 4-12 week experience.

### Sustainable Economic and Community Development in Ecuador

Gain experience while working alongside over 50 families aiming to preserve their values, cultural heritage and the natural world around them while building sustainable livelihoods for themselves.

### Microfinance and Social Enterprise in Eswatini

Social enterprises and small businesses are vital to the growth of the local economy here, and interns can take part. Gain experience in microloans, microfinance and entrepreneurship in an international setting and in a new context.

...and many more!
