

## 2024 Virtual International Internships

Gain international work experience, build a global network, refine your remote work skills and make cultural connections in Spring or Summer 2024 on a Remote Internship with Kaya.

### HIGHLIGHTS OF A VIRTUAL INTERNSHIP

- **Individual internship placement** matched based on interests and career goals (5-30 hours/week)
- **Orientation** to the country and your host organization
- **8 Cultural Workshops** fun, interactive cultural sessions
- **Local Buddy Chat** discussions with students from the host country
- **Weekly check-ins and feedback sessions** with Project Supervisors and Country Directors
- **Discussion forums** for connecting with other interns
- **Support pursuing credit** at your institution
- **Workstyle and Reentry Toolkits** to guide future career steps
- Future program discount of **\$200-700 to visit the host country**

### ACADEMIC AREAS

Internships are available across a wide range of academic areas including:
